

P.S. I forgot to tell you  
about Ed Wiley he has a big  
trick in court suing the  
Raile Road for putting him  
off between Millner and McNeill  
some time last fall.

I did not know whether you  
had heard about it or not  
and thought I would tell  
you and you may tell your  
mother also perhaps she has  
not heard it,

Love by my Dear Fannie
